ABOUT US

Jahonzeb Sifat LLC is a dynamic and innovative company established in 2023, based in the picturesque Sogd region of Tajikistan. We specialize in the production and export of premium organic dried fruits and nuts. Our mission is to promote healthy living by providing easy access to high-quality, nutrient-rich products sourced from the sunny and fertile lands of Tajikistan. Our offerings, including various types of dried apricots, peanuts, walnuts, and apricot kernel seeds, are known for their rich taste and high nutritional value, thanks to the pure mountain water and favorable weather conditions. We are committed to maintaining quality, transparency, and compliance at every stage of our operations, ensuring that our clients receive only the best products.
